WEEK – 1 REPORT

Activity 1.1 – Get your project approved by college SPOC

Firstly, The leader was required to login to the smart internz portal and add members to his team. We picked a team of five members including DINESH K, BHARATH T, DINESH KUMAR M, AJAY RAHUL, CHALLA HARI UMA SAHITH. Then we were required to pick a project of our choice of the listed projects, once the process was completed , our college SPOC approved our project.

Activity 1.2 – Download the rocket chat and join the respective channel

We received mail regarding this process from IBM, we are able to download the rocket chat application from the provided link and join the respective channel using the provided credentials.
